Job description:

ANNOUNCEMENT OF OPENING OF AN INTERNATIONAL SELECTION CONTEST CONTEST PROCEDURE FOR CONTRACTING A DOCTOR UNDER THE HIGHLY QUALIFIED HUMAN RESOURCES HIRING PROGRAM Universidade de Évora Aviso (extracto) nº17047/2020, de 26 de outubro 1. By order dated September 28th 2020 of the Rector of the University of Évora, it was deliberated to open an international selection contest for a position of researcher for the exercise of scientific research activities in the scientific area of Biological Sciences under a fixed term public service work contract regime with the duration of three years, under the Highly Qualified Human Resources (RHAQ) Hiring program, Refª ALT20-59-2019-24 with the aim of promoting the development of knowledge transfer and valorization (TVC) for enterprises in MARE - Center for Marine and Environmental Sciences, namely links and synergies between companies and R&D centers, especially in the field of product and service development, technology transfer, with applications of public interest, open innovation through intelligent specialization, and technological support and applied research. 2. Applicable legislation: Decree-Law no. 57/2016 of 29th August, which approves the doctor hiring regime destined to stimulate scientific and technological employment in all areas of knowledge (RJEC). General Public Service Labour Law (LTFP), approved in annex to Law no. 35/2014 of 20 June, under its current wording. Regulation of Performance Evaluation of PhD Researchers of the University of Évora, published by Order No. 7123/2019 (2nd series), on August 9. 3. Pursuant to article 16 of Decree-Law no. 57/2016 of 29th August, this contest procedure shall be exempt from authorization by the Government members in charge of the areas of Finances and Public Administration, namely that mentioned in nº 3 of article 7 of the LTFP; from obtaining a prior favourable opinion from the Government members in charge of the areas of Finances and Public Administration, mentioned in nº 5 of article 30 of the LTFP, and the recruitment process for workers in a requalification position, mentioned in article 265 of the LTFP. 4. Pursuant to article 13 of the RJEC, the contest selection panel has the following composition: President: Pedro Raposo de Almeida, PhD, Associate Professor with Habilitation, School of Science and Technology of the University of Évora. Members: Maria Helena Soares Martins Adão, PhD, Assistant Professor, School of Science and Technology of the University of Évora; Leonel Paulo Sul Serrano Gordo, PhD, Associate Professor with Habilitation, Faculty of Sciences of the University of Lisbon; José Lino Costa, PhD, Assistant Professor from the Faculty of Sciences of the University of Lisbon. 5. The place of work is located in MARE-UÉ - Marine and Environmental Sciences Centre, Pole of the University of Évora. 6. The monthly remuneration to be paid is 2 134,73€ corresponding to level 33 of the Single Salary Table,

approved by Order no. 10-B/2020 of 20th March. 7. National, foreign and stateless candidates who hold a doctorate degree in Biology, with domain of the Portuguese and English language (spoken and written) and holders of a scientific and professional curriculum that reveals an adequate profile to the activity to be developed, can submit their applications: - Professional experience in TVC and applied research in environmental monitoring activities, namely regarding ecological monitoring of freshwater, estuarine and coastal ecosystems, in their biological and physical-chemical aspects; - Minimum experience of 5 years after PhD and at least 10 years in scientific and applied research; - Scientific background or specific professional expertise relevant to the management and conservation of natural resources, namely in aquatic environment; - Experience in the area of restoring connectivity and ecological restoration of aquatic habitats; - Experience in projects aimed at the promotion of co-management and sustainable exploitation actions within the scope of commercial fishing activities aimed at fish populations; - Experience in fish population monitoring techniques, namely using different biotelemetry techniques (radio transmitters, PIT brands, etc.); - Experience in the development and implementation of scientific dissemination and environmental awareness actions in the area of natural resources and management and conservation of fish species. If the PhD has been awarded by a foreign higher education institution, the candidates are admitted to the procedure, according to paragraph e) of paragraph 2 of article 4 of Decree-Law nº 60/2018, of 3th August and the registration/recognition of the degree in Portugal to be effected after the end of the tender, under the terms provided for in Decree-Law nº 66/2018, of 16th August, and is only necessary in the act of contracting. 8. General contest admission requirements are those specified in article 17 of the LTFP and special requirements are those specified in the previous section. 9. Pursuant to article 5 of the RJEC, selection is to be made based on the evaluation of the scientific and curricular career of the candidates. 10. The evaluation of the scientific and curricular career focuses on relevance, quality and up-to-dateness: a) Of the scientific, technological, cultural or artistic production in the last five years, deemed most relevant by the candidate; b) Of research activities, applied or based on practical work, developed in the last five years, and considered of greatest impact by the candidate; c) Of knowledge extension and dissemination activities developed in the last five years, namely in the context of the promotion of culture and scientific practices, considered of greatest relevance by the candidate; d) Of science, technology and innovation programme management activities, or experience in observing and monitoring the scientific and technological or higher education system in Portugal or abroad. 11. The five-year period mentioned above can be extended by the panel, if requested by the candidate, whenever the suspension of scientific activities is founded on socially protected grounds such as paternity leave, long-term serious illness, and other legal situations of unavailability to work. 12. The following are evaluation criteria: a) Scientific performance in the last 5 years, b) Applied or practice-based research activities developed in the last 5 years, c) Extension and knowledge dissemination activities developed in the last 5 years, d) Management activities of science, technology and innovation programs; In the application of the criteria referred to, the following parameters and weight factors are evaluated: a) scientific and technological production, with a weighting factor of 50%, a1) Publications in magazines indexed on the Web of Science, considering the quality of publications (quartiles); a2) Publication of books or book chapters with ISBN, in the areas of specialization of the contest; a3) Experience in research, considering the participation in national or international R&D projects, and taking into account the requirements of the areas of expertise of the call; b) applied or practice-based research activities developed over the past five years including partnerships with companies and public administration, with a 20% weighting factor, which includes: b1) Participation in applied projects involving knowledge transfer and partnerships with companies and public and private sector entities; c) activities of extension and dissemination of knowledge developed in the last five years, namely in the context of promoting culture and scientific practices, considered more relevant by the candidate, with a weighting factor of 20%, which includes: c1) Presentation of oral communications at national or international scientific congresses; c2) Elaboration of expositive contents and materials of scientific dissemination; c3) Participation in actions of scientific dissemination and environmental education in the context of general society; d) management activities of science and technology and innovation programs, or experience in the observation and monitoring of the scientific and technological system or higher education, in Portugal or abroad, with a weighting factor of 10%, which includes: d1) Performance of functions as manager of national and/or international projects, in the areas of specialization of the call. 13. The system of final classification is expressed on a scale of 0 to 100. 14. The panel shall deliberate by means of roll call vote justified under the adopted and disclosed selection criteria, with no abstentions allowed. 15. Minutes of panel meetings shall be elaborated and will include a summary of all occurrences, as well as of all votes cast by the members and their respective reasoning and shall be provided to candidates whenever requested. 16. After concluding the application of the selection criteria, the panel will prepare an ordered list of approved candidates and their respective classification. 17. The panel's final decision will be validated by the head of the institution, who is also in charge of deciding about the contracting. 18. Formalization of candidatures: 18.1 Candidatures are formalized by way of an official request form, available at the e-mail address of the Administrative Services of the University of Évora, <http://www.sadm.uevora.pt>, sent to the President of the Jury, which includes the identification of this announcement (Refª RHAQ-1-MARE), full name, parents' names, ID card or Citizen Card number and date or civil identification number, taxpayer ID number, date and place of birth, marital status, occupation, residence and contact address, including email address and telephone. 18.2 The application for admission to the contest is accompanied by the following documents: a) Certificate of the degrees and titles required; b) PhD Thesis; c) Curriculum Vitae of the candidate, detailed and prepared taking into account the evaluation parameters referred to in points 10 and 12; d) Other documents 18.3 Candidates should submit their application request and supporting documentation, preferably in digital form, in PDF format, to the email drhsc@uevora.pt, in person at the Universidade de Évora – Divisão de Recursos Humanos (DRH), Serviços Administrativos, Largo da Sr.ª da Natividade, Apartado 94, 7002-554 Évora, Portugal, during working hours, or by mail to the same address. When submitted by mail, applications must be sent by registered mail with acknowledgement of receipt sent until the last day of application deadline, which is hereby set

as 30 working days after the publication of this Announcement. 19. All candidates who formalize their applications in an improper way or fail to prove the requirements imposed by this contest are excluded from admission. In case of doubt, the panel is entitled to request any candidate to present further documentation supporting their statements. 20. False statements provided by the candidates will be punished by law. 21. A list of the candidates admitted and excluded as well as the final classification list is publicized on the webpage <http://www.sadm.uevora.pt>, and the candidates are notified by email with receipt of delivery. 22. Preliminary Hearing and Final Decision Deadline: Pursuant to article 121 of the Administrative Procedure Code, after notification, all candidates have 10 working days to respond. The panel's final decisions are pronounced within a period of 90 days, counted from the deadline for presentation of applications. 23. This contest is exclusively destined to fill this specific vacancy and can be terminated at any time until approval of the final candidate list, expiring with the respective occupation of the vacancy. 24. Non-discrimination and equal access policy: The University of Évora actively promotes a non-discrimination and equal access policy, wherefore no candidate can be privileged, benefited, impaired or deprived of any rights whatsoever, or be exempt of any duties based on their ancestry, age, sex, sexual preference, marital status, family and economic conditions, instruction, origin or social conditions, genetic heritage, reduced work capacity, disability, chronic illness, nationality, ethnic origin or race, origin territory, language, religion, political or ideological convictions and union membership. 25. Pursuant to Decree-Law no. 29/2001 of 3 February, disabled candidates shall be preferred in a situation of equal classification, and this preference supersedes any other legal preference. Candidates must declare, on their honour, their respective disability degree, type of disability and communication/expression means. October 13th 2020 – The Administrator of the University of Évora, Maria Cesaltina Frade.
