OFFER DESCRIPTION

It is hereby made public that for 30 working days counted from the first working day following the publication of this Edital in Diário da República, an international position is open for the recruitment of two Assistant Professor, in the disciplinary area of Biology - Biology of Organisms and Populations at the School of Science and Technology of the University of Évora, to be integrated into the staff map of this University. This position will be announced in the Bolsa de Emprego Público, in the web pages of the Fundação para a Ciência e Tecnologia, I.P., and of UE, in Portuguese and English, as established in articles 62.º-A of the Estatuto da Carreira Docente Universitária (ECDU), republished as attachment to the Decreto-Lei n.º 205/2009, of August 31, altered by the Lei nº 8/2010, of May 13.

The present call follows the rulings of articles 37.º to 51º, 61º and 62º-A of the ECDU and further applicable laws and regulations, particularly the Regulamento dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora, henceforth called Regulamento, approved by the Despacho n.º 2433/2019, published in the 2nd Series of Diário da República, nº 49, of March 11.

The joint order nº 373/2000, of March 31 th, made compulsory the inclusion of the following reference in all civil service recruitment procedure notices:

“As established in item h) of article 9.º of the Portuguese Constitution, Public Administration, Public Administration, when acting as an employer, actively promotes a policy of equal opportunity between men and women in access to employment and in professional progression, scrupulously endeavouring to avoid any form of discrimination”.

In accordance with articles 37º to 51º of the ECDU and other applicable legislation and with article 8º of the Regulamento, the following provisions will apply:

I - Authorization order - the present open position was authorized by order of the Rector of the University of Évora, in March 31th, 2022.

II - Place of work: School of Science and Technology of University of Évora

III - Admission requirements:

III.1. Chapter IV of the Regulamento is applied in regard to verification and compliance of the requirements of admission and exclusion of the candidates.

III.2. Under the terms of article 41-A of the ECDU, can only be admitted to the present call, holders of a PhD Biology or related area by the application deadline, who must be proficient in the Portuguese language, both spoken and written.

III.3. If the PhD degree has been awarded by a foreign higher education institution, the candidates are admitted, according to paragraph e) of nº2 of article 4th of Decreto-Lei nº 60/2018, of August 3 and the registration/recognition of the degree in Portugal must be carried out after the end of the competition, under the terms set out in Decreto-Lei nº 66/2018, of August 16th, being a requirement for the act of signature of the contract.

III.4. Foreign candidates, except those of an official portuguese expression, are required to provide an officially recognized statement, demonstrating that they master the Portuguese language, in both written and spoken forms.

IV — Admission requirements in absolute merit:

IV.1. Article 12º of the Regulamento is applied with regard to admission in absolute merit of candidates.

IV.2. The jury will deliberate on the approval or rejection in absolute merit, through justified nominal voting, where abstentions are not allowed. Approval in absolute merit is understood as receiving a positive vote of more than half of the voting jury members.

IV.3. The admission in absolute merit is based on the overall curriculum, that the jury deems denotes scientific merit, research ability in Biology area - Biology of Organisms and Populations (field of Plant Biology), and value of the pedagogical activity, as already developed, in the area or disciplinary areas to which the position respects, and appropriate to the respective category.
